### Farm holiday Il Portone.

The farm holiday Il Portone in Borgo San Martino is set on the green hills of Abbateggio, in the heart of Majella National Park. It is immersed in a natural environment suitable for biking and excursions on a mountain bike and it is surrounded by a vast and interesting panorama embracing the Majella Mountain, beautiful hills and the Adriatic sea.

The farm holiday is the result of a careful restoration which preserved the original architectural elements, typical of the rural architecture, making use of materials like stones and fired bricks.

### Hospitality

It offer 9 bedrooms, each one with a bathroom and an independent entrance, and 1 flat with 2 bedrooms.

Every room has a panoramic view and a balcony overlooking the Lejo Valley and area furnished with ancient furniture according on the local country-style.

In the two restaurants halls the guests can taste the typical dishes prepared following the recipes of the local tradition and the living room, with its imposing chimney made of stone, offers all the guests a relaxing and pleasant stay.
